

A Smuggler's Handbook: An exact replica of the codes of conduct, institutional rules and regulations, washing instructions, and mode d'emploi of a consumer product. These texts promise the successful delivery of water bottles into white cubes, people into the capitalist mecca, porn into puritan circles, medicine into the cat's food, cocaine into drug free high schools.

Related Terms: black market, opacity, chromopolitics, museum criticism, exploitation, parallel market, Irit Rogoff, illegitimate desire, vigilance, uneven distribution, mimicry, binary organization, unclaimed agency.
